

City of Detroit Inter-Departmental Communication

TO:

Richard Doherty, City Engineer

City Engineering/Department of Public Works

FROM:

Debra Singleton, Engineer

Detroit Water and Sewerage Department

DATE:

July 11, 2018

RE:

Petition #428

Request to Convert to Easement The East/West And North/South Alleys In The

Block Bound By Fullerton, Lasalle, Montville, And 14th Ave.,

The above petition received by this office has been reviewed. With regard to DWSD's interests, our comments are as follows

 Our records indicate that there a sewer in the alley. DWSD has no objections to the conversion to easement provided that the attached provisions for conversion to easement are followed.

If you have any questions, please call me at (313) 267-8309 or Mohammed Fa Siddique at (313)-964-9245.

Sincerely,

Debra Singleton

Engineer

To whom it may concern:

With all diligence and honesty, I Pamela Latimer, Pastor is corresponding to the driveway next to 2326 Fullerton ST. where I'm registered with the State of Mlichigan. There is a lot of lawless activity such as; cars without tags and insurance, shooting and some people have been jumped on. Fortunately, we have been there sense 1958 neighbors always respected us and gave us the right of the way until 2017 the neighbors across the street which they have a lot takes over the driveway which is next to us. Circumspectly, as a leader myself I want to protect my mother and myself, by having the privilege to close it off and to stop prowlers.

In my closing, thank you and may God forever bless you for giving me this opportunity to express my concernment to help bring life into our neighborhood. Enclosed is picture that states the start which is 24FT in length and stops at 24FT wide.

God Bless

Pamela Latimer, Pastor
