**DTE ALLEY VACATION PETITION LANGUAGE  
TO INCLUDE IN CITY COUNCIL RESOLUTION**

First said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, said utility easement or right-of-way in and over said vacated alleys herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easements or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easements with any necessary equipment to perform the above-mentioned tasks, with the understanding that the utility companies shall use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary easement perimeter fence) shall be built or places upon said easement, nor change of surface grade made, without prior approval of the City Engineering Department (DPW).

PROVIDED, that said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including fences, porches, patios, balconies, etc., shall be built upon or over said easements, or that no grade changes or storage of materials shall be made within said easements without prior written approval and agreement with DTE, and further.

PROVIDED, that if at any time in the future, the owners of any lost abutting said vacated alleys shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if any DTE Facilities said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all cost incident to the repair of such broken or damaged any DTE Facilities, and shall also be liable for claims for damages resulting from his/her actions, and further.
