**TO:** Richard Doherty, City Engineer  
City Engineering/Department of Public Works

**FROM:** Debra Singleton, Engineer  
Detroit Water and Sewerage Department

**DATE:** December 17, 2018

**RE:** Petition No. 512  
Request to Outright Vacate The North/South Alley In The Block Bound By  
Bagley, Vermont , Marantette, And Rosa Parks Blvd.

---

The Detroit Water and Sewerage Department (DWSD) is in receipt of the subject petition. There is a sewer located in the alley. DWSD has no objection to the requested vacation provided that the following conditions are met:

- The sewer services no other properties and only services the properties owned by the Petitioner, if not the Petitioner must prepare a relocation plan for the sewer signed by a Registered Engineer, DWSD approves the relocation plans, and the Petitioner grants a satisfactory easement for the relocated sewer. The Petitioner is to bear the entire cost of the proposed relocation plans, including construction, demolition, permitting, inspection, survey, etc.
- If DWSD is to maintain ownership of the existing sewer a satisfactory easement is to be granted by the Petitioner.

The entire work is to be performed in accordance with DWSD specifications and standards, all of the fees are to be deposited with DWSD in advance, to cover the necessary costs of permits and inspection.

It is imperative for the Petitioner to contact the DWSD Permits Section directly to discuss this petition. If you have any questions, please feel free to call me at (313) 267-8309 or Mohammed Fa Siddique at (313) 964-9245.

Sincerely,

Debra Singleton  
Engineer Permits Section

**Provisions for Relocation Due to Vacation for Petition No 512**

---

Provided that the petitioner shall design and construct proposed sewers and to make the connections to the existing public sewers as required by the Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed sewers,

Provided that the plans for the sewers shall be prepared by a registered engineer; and further

Provided that DWSD be and is hereby authorized to review the drawings for the proposed sewers and to issue permits for the construction of the sewers, and further

Provided that the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided that the entire cost of the proposed sewers construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided that the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided that the petitioner shall grant to the City a satisfactory easement for the sewers; and further

Provided that the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and further

Provided, that the petitioner shall provide DWSD with as -built drawings on the proposed sewers; and further

Provided that the petitioner shall provide a one (1) year warranty for the proposed sewers; and further

Provided that upon satisfactory completion, the sewers shall become City property and become part of the City system. And any existing sewers that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City.
