Petitioner,

RE: Petition No. x541

Petition No. x541 of Rekan Zora's request to outright vacate the alley between 8 Mile Road and Hamlet Street, bounded by Bloom Street and Buffalo Street.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The review of petition x541 has determined that the required minimum of signatures was not obtained to approve this request. Per City of Detroit ordinance 43-7-1, a petition to vacate any alley the petitioner must obtain signature consent from no less than two-thirds of the adjacent owners.

The Department of Public Works, City Engineering Division denies this petition request. Please receive and file this report for you reference.

Respectfully submitted,

Richard Doherty, City Engineer
City Engineering Division – DPW
