

Status Report for 2019 petition #995

April 8, 2020

This petition is by Industrial Gardens LLC and is for alley to easement in the area of 12651 Stout alley and is a N-S alley west of Stout and north of Fullerton. Petition was not processed because that same alley is part of an ongoing investigation under petition #817 for Premier Grow LLC at 20445 Glendale.

In conclusion the petition is unnecessary as it is a duplicate. The investigation could also be resolved under both petition numbers.
