Honorable City Council:

RE: Petition No. 1043 — Trinity Investments Limited LLC requests to vacate Townsend Avenue between Medbury Avenue and Hendrie Avenue.

Petition No. 1043 — Trinity Investments Limited LLC requests to vacate and convert to easement Townsend Avenue, 60 feet wide, from Medbury Avenue, 60 feet wide, to Hendrie Avenue (60 feet wide).

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

The Detroit Fire Department (DFD) approves provided access is maintained to any buildings and fire department connections. A provision for DFD access is a part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way (Pierson Avenue) into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW
