RE: Petition No. 1061
Requested Conversion to Easement of Marcus, Rugg, and Richardson, and the
Outright Vacation of Filer and Alleys in the Area Bound by Huber, Foster,
Georgia, and Mt. Elliott

The Detroit Water and Sewerage Department (DWSD) is in receipt of the subject petition. There are sewers and water mains located in the requested Outright Vacation of streets and alleys. DWSD has no objection to the requested vacations provided that the following conditions are met:

- The sewers and water mains service no other properties and only service the properties owned by the Petitioner, if not the Petitioner must prepare relocation plans for the sewers and water mains signed by a Registered Engineer. DWSD will review the relocation plans, and the Petitioner must grant satisfactory easements for the relocated sewers and water mains where applicable, or obtain Right-of-Way approval for relocation. The Petitioner is to bear the entire cost of the proposed relocation plans, including construction, demolition, permitting, inspection, survey, etc.
- If DWSD is to maintain ownership of any existing sewers or water mains satisfactory easements must be granted by the Petitioner.

DWSD has no objection to the requested Conversion to Easement of Marcus, Rugg, and Richardson Streets provided that the following condition is met:

- Our records indicate that there are water mains in Marcus, Rugg, and Richardson Streets. DWSD has no objection to the requested Conversion to Easement provided that the attached Provisions for Conversion to Easement are strictly followed.

The entire work is to be performed in accordance with DWSD specifications and standards, all of the fees are to be deposited with DWSD in advance, to cover the necessary costs of permits and inspection.
