**RE:** Petition No. 1062  
Requested Outright Vacation of De Buel, Foster, Heintz, Girardin, and Alleys in  
the Area Bound By Sherwood, Miller, New York Central R.R. and Georgia

The Detroit Water and Sewerage Department (DWSD) is in receipt of the subject petition. There are sewers and water mains located in the requested outright vacated streets and alleys. DWSD has no objection to the requested vacations provided that the following conditions are met:

- The sewers and water mains service no other properties and only service the properties owned by the Petitioner, if not the Petitioner must prepare relocation plans for the sewers and water mains signed by a Registered Engineer. DWSD will review the relocation plans, and the Petitioner must grant satisfactory easements for the relocated sewers and water mains where applicable, or obtain Right-of-Way approval for relocation. The Petitioner is to bear the entire cost of the proposed relocation plans, including construction, demolition, permitting, inspection, survey, etc.
- If DWSD is to maintain ownership of any existing sewers or water mains satisfactory easements must be granted by the Petitioner.

The entire work is to be performed in accordance with DWSD specifications and standards, all of the fees are to be deposited with DWSD in advance, to cover the necessary costs of permits and inspection.

Contact the DWSD Permits Section directly to discuss this petition. If you have any questions, please feel free to call me at (313) 267-8309 or Mohammed Fa Siddique at (313) 964-9245.

Sincerely,
