Honorable City Council:

RE: Petition No.1076 – Kareem Hopkins request to vacate and convert to easement the public alley between Emery Avenue and East Seven Mile Road, bounded by Mitchell Street and Charest Avenue.

Petition No. 1076 –Kareem Hopkins request to vacate and convert to easement the public alley (16 ft. wide) between Emery Avenue (50 ft. wide) and East Seven Mile Road (66 ft. wide), bounded by Mitchell Street (50 ft. wide) and Charest Avenue (50 ft. wide).

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made to improve the safety of adjacent property owners and discontinue a non-functioning alley.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW
