Petitioner,

RE: Petition No. x1083

Petition No. x1083 Detroit Waldorf School, request to vacate part of the north-south alley between Charlevoix Street and East Vernor Highway, bounded by Burns Street and Fischer Street.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The proposed alley section services the abutting owners for vehicular access to their properties. The vacation of the proposed alley segment would reduce accessibility to property owners between Charlevoix Street and East Vernor Highway. The petition involved the northern portion of the alley abutting property owned by Detroit Waldorf School. The petitioner was given the option to dedicate a portion of property owned by Detroit Waldorf School to relocate the point of alley ingress/egress. The petitioner has not reestablished communication after the option was provided.

The Department of Public Works, City Engineering Division denies this petition request. Please receive and file this report for you reference.

Respectfully submitted,

Richard Doherty, City Engineer
City Engineering Division – DPW
