Petitioner,

RE: Petition No. x1149

Petition No. x1149 Juan Romo, request to vacate the northwest section of the north-south alley between Navy Street and Gartner Street, bounded by Springwells Street and Central Street.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The proposed alley section services the abutting owners for vehicular access to their properties. The vacation of the proposed alley segment would reduce accessibility to property owners between Springwells Street and Central Street.

The Department of Public Works, City Engineering Division **denies** this petition request. Please receive and file this report for you reference.

Respectfully submitted,

Richard Doherty, City Engineer
City Engineering Division – DPW
