Dear City Council Members,

My name is Juan Romo, and my family and I own: La Posada Restaurant which is located in 1930 Springwells St. We are requesting to vacate the northwest section of the alley located behind our building. This alley is located in between Garther St and Navy St.

We have been in this location for over ten years now, and over the course of the time there has been little to no maintenance in this alley. The state of the alley has only deteriorated, and in addition, it has become a hazard in terms of driving conditions. The size of the potholes has begun to reach a dangerous point. Inclusively during the winter our staff and others in the area struggle to get through. It is our goal to provide superb conditions not only for the staff, but for the customers, and ourselves.

It would be our pleasure to answer any further questions that the council may have regarding the situation. We will also be prepared to present a site plan with further details of the project.

Best Regards,

Juan Romo
