Petitioner,

RE: Petition No. x723

Petition No. x723 Mark Fraser, request to vacate and convert to utility easement the alleys between Elmer Avenue and Casper Avenue, bounded by Michigan Avenue and The Edsel Ford Expressway.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The review of petition x723 has determined the minimum criteria to approve this request has not been met. Observation of the site has determined that conformity issues exist with the current permitted use of the property. No plans were provided to remedy the compliance issues or demonstrate the use of the property if the petition were to be approved.

The Department of Public Works, City Engineering Division denies this petition request. Please receive and file this report for you reference.

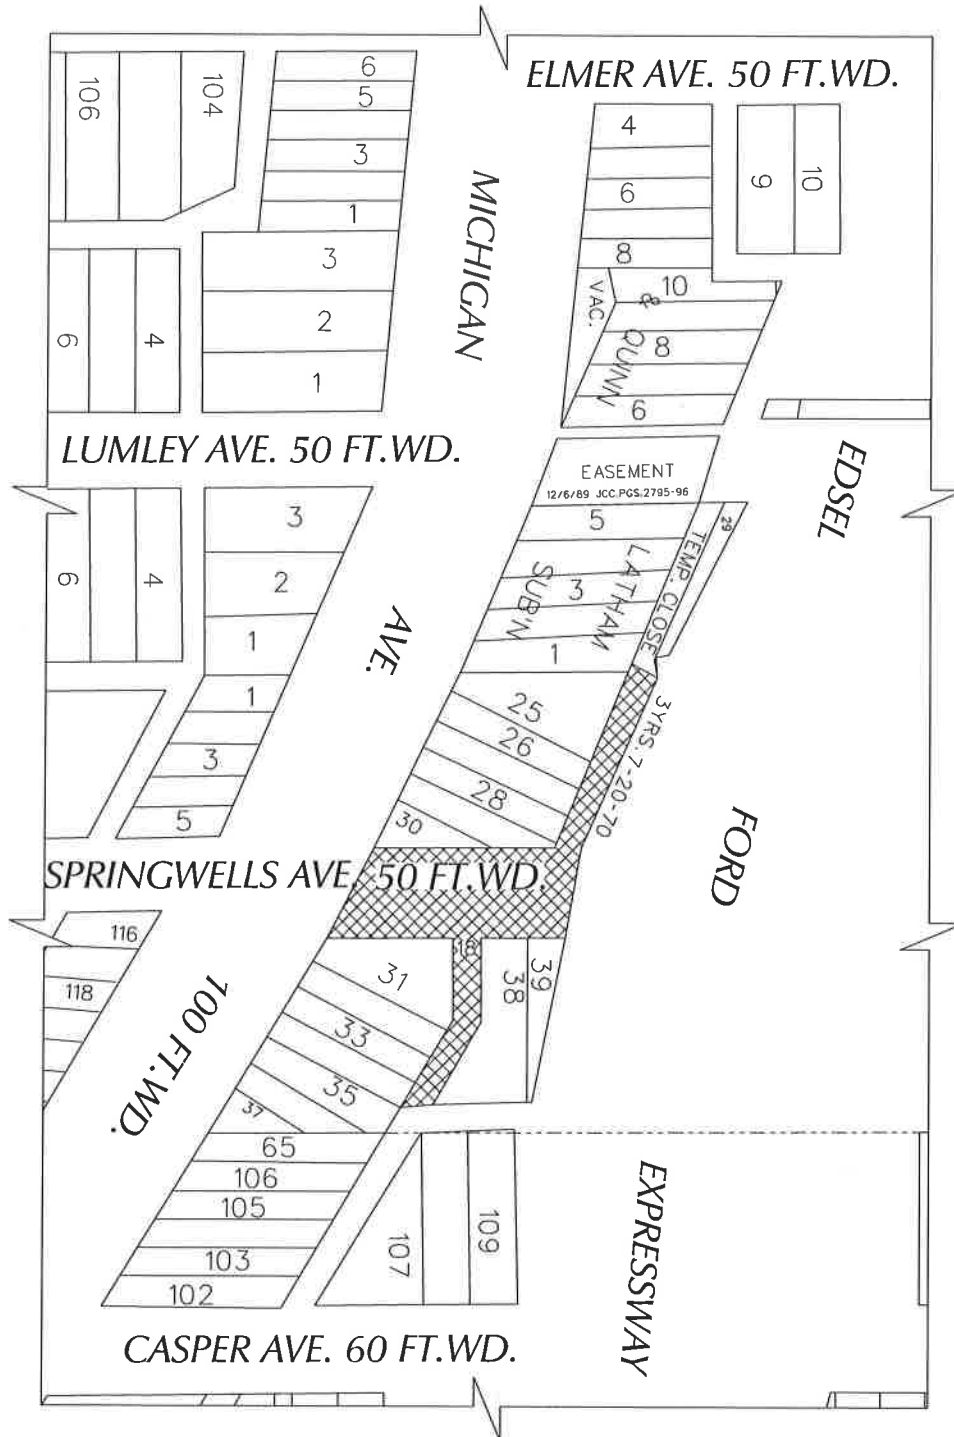

Respectfully submitted,

Richard Doherty, City Engineer
