Petition No. 758 of “Marathon Petroleum Company, LP” request to vacate the easement located over the vacated Waring Avenue, North Hampton Avenue, and Tractor Avenue per City Council resolution dated Oct 21<sup>st</sup>, 1992.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

At the time of submission, the petitioner was required to provide evidence that agreements have been made between the land owner and both DTE and the Detroit Water and Sewage Department.
