Petitioner,

RE: Petition No. x891

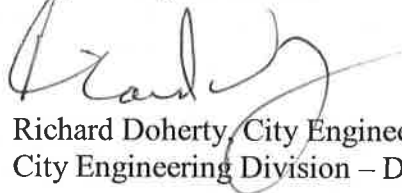

Petition No. x891 of Brian Hurttienne's request for encroachment into the Library Street right-of-way, between East Grand River Avenue and Gratiot Avenue, for the purpose of establishing an 'Outdoor Café'

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The review of petition x891 has determined that the petitioner does not meet the criteria for an encroachment to allow a permanent 'Outdoor Café'. The design standard to allow permanent 'Outdoor Cafes' require that the café area be enclosed and be equipped with heaters for off-season usage. The petitioner may apply or continue use of an 'Outdoor Café' under the standards and requirements of seasonal use.

The Department of Public Works, City Engineering Division denies this petition request. Please receive and file this report for you reference.

Respectfully submitted,

Richard Doherty, City Engineer
City Engineering Division – DPW
