

Status Report for 2019 petition #992

April 8, 2020

This petition is by Jeffie and Shirley Foster and is for vacation of Rugg Street for 192 feet west of Railroad and east of Mt. Elliott. Petition was not processed because that part of Rugg was being done under petition 1061 for Crown Enterprises. Certified copy of resolution for 1061 dated October 1, 2019 found in file folder x992.

In conclusion the petition is unnecessary as the street is already vacated.
