RE: Removal and/or Relocation of Comcast Facilities – Request # x1266

Dear Sir/Madam:

You have requested that Comcast undertake to remove and/or relocate its facilities located at or near Lincoln Ave & Holden Ave, Detroit MI 48202. For Comcast to begin work on such removal and/or relocation, it is necessary that the enclosed *Comcast Line Removal and/or Relocation Agreement* (“*Agreement*”) be completed and returned to my attention at the following address:

25626 Telegraph Rd.
Southfield, MI 48033
Attn: Brandon Hooker

If there are multiple owners of the property, each owner must sign the Agreement. If any owner is married, that person’s spouse must sign, as well. I have enclosed extra copies of the Agreement for your records. Upon our receipt of the fully executed Agreement and payment in the amount of \$14,268.46, as specified in the Agreement, we will commence the requested removal and/or relocation. Please understand that this amount represents an estimate to complete the work and may increase if additional work is needed or additional expenses incurred by Comcast in completion of the work.

Thank you for your attention to this important matter. If you have any questions or concerns, please feel free to contact me at 517-898-6785.

Respectfully,

Brandon Hooker
