RE: Giffels Webster - Request to encroach into the rights-of-way within the block bounded by Woodward Ave (120 feet wide), E. Grand River (60 feet wide), Farmer Street (71 feet wide), and Gratiot Ave (60 feet wide) in the city of Detroit.

Giffels Webster, 28 W. Adams, Suite 1200, Detroit, Michigan 48226 on behalf of Hudson Real Property LLC, 630 Woodward Ave., Detroit, Michigan, 48226 respectfully requests to encroach the following portions of the City of Detroit Rights-of-Way for the proposed Hudson's site development:

- Various above grade encroachments into the adjacent rights-of-way to allow for building canopies and overhangs.
- An at grade encroachment into the adjacent rights-of-way for streetscape elements. Included within this encroachment would be a 10-foot clear pedestrian accessway on Woodward Avenue, Farmer Street and Gratiot Avenue. A six-foot clear pedestrian accessway would be maintained on E. Grand River.
- An indemnification agreement with the City Engineering Department indemnification for maintenance of non-standard items in the adjacent rights-of-way such as pavers, benches, bollards, trench drains, tree grates and other streetscape elements.

These encroachments will not impede pedestrian or vehicular traffic. They will also not interfere with the maintenance of the public rights-of-way, including utilities and Fire Department access. A drawing of the proposed encroachment locations is attached. In addition to the encroachments we are requesting to transfer ownership of all existing easements for this property. A transfer sketch is also attached.
