Dear Council Members:

On behalf of Selden Innovation Center, LLC, we would like to petition the City of Detroit for the conversion to easement of that portion of Frank Street located between the John C Lodge Service Drive and the western edge of the alley first west of 4th Street, as well as the East-West alley located between the John C Lodge Service Drive, Alexandrine Street, 4th Street, and Frank Street.

Both the street closure and the alley closure are part of a larger redevelopment plan for the former Jefferson School building. The purpose of the closure of Frank Street is to allow for a pedestrian connection between the existing building and the proposed parking lot, and the purpose of the alley closure is to allow for consolidation of the proposed parking lot. Please find attached a preliminary site plan that depicts these development plans.

Thank you for your attention toward this matter. Please feel free to contact Parkstone Development Partners with any questions or concerns related to this request.

Respectfully,

Janelle Bulat
