City of Detroit

Suite #1340

To the City of Detroit City Council,

We formally request to vacate and convert to utility easement the segment of alley adjacent to our property located at 8151 LaSalle, Detroit, MI 48206. Currently, the alley easement comes directly to the garage door, causing safety concerns. We are requesting that the City vacate the utility easement so that we can adequately secure the property. A map of the current property alignments in question are included with our letter for your reference.

We understand that a sewer line connects to 8151 La Salle through the alley segment, and for that reason will grant access to the underground infrastructure to appropriate agencies and departments upon request. We also understand the vacation restricts us from constructing structures over the easement. Our intention upon receiving the easement is to install a fence that will secure the property, especially on the alley side.

We look forward to hearing from you on this matter.

Sincerely,

Matt Williams
