RE: 4930 Livernois

To whom it may concern:

I've been at my current location since 1998. I built my Marathon convenience store from the ground up and adding an oil change, Subway carry out, Mexican carry out, and a Metro PCS. As a matter of fact, I purchased the three houses adjacent to me and torn them down to expand my location in the near future. I current own all the property on my block of Livernois to include 4900 – 5000 Livernois.

Ever since I been here since 1998, the alley has been closed and blocked. I would like to put in a request to officially close the alley so I can add a storage room for my location, only using my half of the vacant alley.

Please consider this request and please let me know if you require anything else or if you have any questions or comments. Please see all my information on my letterhead.

Thanks again for your consideration!!

Sincerely

Zead Rammouni
