Honorable City Council:

RE: Amended Petition No. 1381 – U.S. General Services Administration request to vacate part of 5th Street between Michigan Avenue and vacated Porter Street.

Amended Petition No. 1381– U.S. General Services Administration request to vacate part of 5th Street, 50 ft. wide, between Michigan Avenue, 120 ft. wide, and vacated Porter Street, 60 ft. wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

This amendment to Petition No. x1381, approved by your honorable body on Nov 3rd, 2021, is being submit with the effort to resolve a dispute with the Michigan Department of Transportation concerning a piece of property deeded to the State Highway Commissioner of the State of Michigan on May 22nd, 1947, for the construction of the John C. Lodge Freeway. The amendment being request shall exclude land previously described in the resolution approved on Nov 3rd, 2021, so not to affect the property transferred to the State Highway Commissioner of the State of Michigan.

The request was approved by City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW
