Honorable City Council:

RE: Petition No. 1384 – Paperclip Properties, LLC request to renew encroachments of below grade vaults into State Street and Griswold Street, adjacent to 1150 Griswold Avenue.

Petition No. 1384 – Paperclip Properties, LLC request to renew encroachments of below grade vaults into State Street and Griswold Street, adjacent to 1150 Griswold Avenue.

The petition was referred to the City Engineering Division – DPW for investigation and report. This is our report.

This request is being made to renew encroachments under a new property owner.

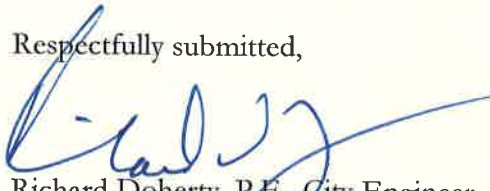

The request was approved by the Solid Waste Division – DPW, and City Engineering Division – DPW. The request was approved by the Traffic Engineering Division – DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW

JMK/SW
