Hello,

This letter is to inform you that the City of Detroit will be vacating the public right of way adjacent to property owned by Great Faith Ministries at 4255 Oakman Blvd. The mentioned public right of way being the segment known as Roselawn Street, east of Oakman Blvd, and the north-south alley segment east of Roselawn Street, between Grand River and Beechdale Street. After review of the public right of way mentioned it has been determined that Great Faith Ministries is now using the public right of way for use of a parking lot. The City of Detroit has no objection to the use of the public right of way as a parking lot for Great Faith Ministries. The City of Detroit will vacate the right-of way to utility easement to allow the continued use as a parking lot. Please note that utility easements allow utility companies rights to access property to perform work on utility assets. Utility easements restrict the construction of any permanent structures.
