This request is being made for updates to the façade at 3554 West Vernor Hwy.

The request was approved by the Solid Waste Division – DPW, and City Engineering Division – DPW. The request was approved by the Traffic Engineering Division – DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.
