Re: AT&T Fiber Cross Connect Cabinet
AT&T #A01DR84
MES #1045-21-0648

AT&T is proposing to install a fiber cross connect cabinet in the alley south of Mclean St between Klinger St & Gallagher St. An application for Right of Way permit has been submitted and is currently under review. Project has been assigned under ENG-21-446.

Plans submitted by Metro Engineering Solutions on behalf of AT&T of Michigan.
