Re: Rededication of Orleans St between Erskine St and Wilkins St

To the City of the Detroit Department of Public Works and City Engineering Department,

The Detroit Economic Growth Corporation, (“DEGC”) fully supports the rededication of the Orleans St from Erskine St to Wilkins St as public right of way within Eastern Market. On behalf of the City of Detroit, the DEGC is currently considering development proposals for a development site adjacent to Orleans right of way located at 3085 Orleans, 3101 Orleans, and 1580 Wilkins. The rededication of the right of way is imperative to the successful redevelopment of this strategic development site in Eastern Market.

Thank you for your consideration,
