RE: Request to Vacate Public Easements near 1633 Marquette.

Dear Honorable Detroit City Council:

PEA Group on behalf of *Henry Ford Health System*, respectfully requests the following outright vacation of the public alleys and streets bound by Rosa Parks Boulevard, Marquette Street, Commonwealth Street and The Grand Trunk Railroad Right of Way.

The requested vacation will neither impede pedestrian or vehicular traffic, nor will it interfere with the maintenance of the public rights-of-way, including utility company and Fire Department access. Required modifications to the existing public utilities will be made to continue existing service. Because all the surrounding properties will no longer need these sewer lines the plan is to remove and cap them.

If you should have any questions or require any additional information, please feel free to contact me by phone at 248-571-8033 or via email at ebunek@peagroup.com.

If you would like to contact Henry Ford Health System, please contact Mr. Thomas Habitz at 248-894-3114 or via email at thabitz1@hfhs.org.

Sincerely,

Emil S. Bunek III, PE
Project Coordinator
