

Good Afternoon Jered, and To Whom It May Concern,

I'm Writing This Email Today As A Homeowner Which have Resided in This Very Home For 30yrs...and In Hopes of The City Allowing the Continue Of The Closure of Our Fencing/ Gate Which has been in place for over 25 yrs. This Has Been A Measure Of Which Ourselves and Previous Homeowners Had Agreed to put in Place as a way of Stopping Unwanted Trespassing, and Cutting down on Crime. Not Only Has this Been a Safety Measure for Ourselves but our Neighbors which reside along our Street as well. Myself and My Husband Have Been Residents of The City Of Detroit All Of Lives and Like To Think of ourselves as Law Abiding Citizens as Well As Caring and Giving Neighbors. We Own Our Home and Love Our City We Care For Our Property also The one that's Vacant right besides ours. This Issue With the fencing Was Created through a Dispute over Our Dog Being ill and finding out our neighbors of 2 1/2yrs had been feeding him without our permission. A report was made and here we Are. Here Is A Start of Signatures of Neighbors as a Start of Petition, and would Like for The Closure to remain. I'm currently awaiting others to come home from work for theirs.

The resident at 19311 Goulburn is the sole resident on the block who requires access through the alley to access their garage. The resident does have a driveway approach. However, the garage doors face the alley. Requesting that the alley retain an access easement for the residents adjacent to the alley from Lappin to the 19311 Goulburn.

Thank You Ever So Much, and Have A Blessed Day
