The petition was referred to the City Engineering Division – DPW for investigation and report. This is our report.

The request is being made as part of the development of a new multi-purpose building known as Detroit People's Food Commons.

The request was approved by the Solid Waste Division – DPW, and City Engineering Division – DPW. Traffic Engineering Division

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.
