Honorable City Council:

RE: Petition No. 2022-275 - The City of Detroit: General Services Department request to dedicate land existing within Clark Park, commonly known as 4301 West Vernor Highway.

Petition No. 2022-275 - The City of Detroit: General Services Department request to dedicate land existing within Clark Park, commonly known as 4301 West Vernor Highway, to become part of Vernor Highway, 66 ft. wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility clearance) and report. This is our report.

The purpose of this request is to dedicate land for the widening of the public sidewalk on the south side of West Vernor Highway, adjacent to 4301 West Vernor, for streetscape elements.

All other city departments and utilities have reported no objections to the proposed right-of-way dedication.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P. E., City Engineer
City Engineering Division – DPW
