Department of Public Works

Re: Encroachment

Dear Sir or Madam,

This letter accompanies my application for an encroachment into the public right of way for the purpose of installing fabric awnings and a metal canopy on my building located at 73 West Elizabeth Street. I am the building owner. This application is being made in conjunction with Project: BLD2022-06166. Site plan and Detail are attached. Please let me know if you have any questions.

Thank you,
