**PUBLIC WORKS DEPARTMENT: CITY ENGINEERING DIVISION**

Coleman A. Young Municipal Center - 6th Floor

We, the undersigned individuals owning property adjacent to the proposed right-of-way to be vacated have no objections to the request of the petitioner. This petition requires consent by 2/3 of the adjacent owners in residential areas. Commercial areas require 100% of adjacent owners to consent. Properties owned by a business or other entity must be signed by an authorized agent in order to be counted in this petition.

By signing this petition the property owner is confirming awareness of the following changes to their property:

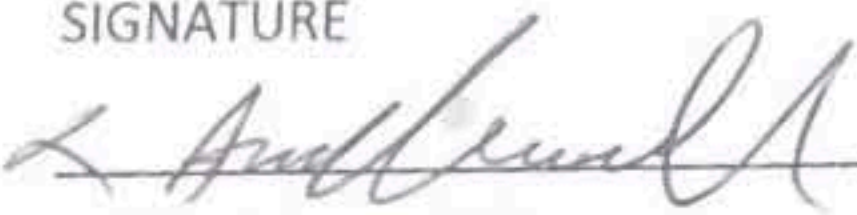

- (1) Vacating the proposed street or alley will result in the property owner being allocated ownership of 1/2 of the street or alley (conditional to the design of the subdivision) and will cause the property assessment to be adjusted to include the increase in square footage.
- (2) Drainage fees to the property will be adjusted based on any added impervious surfaces added to the property. Please contact the Department of Water and Sewage for additional questions regarding rates.
- (3) Garages orientated toward the alley may no longer be accessible by the alley. Upon approval of this petition the alley will no longer be considered public. The property owner waves their right to access their property using the alley.

Commercial properties are subject to the conditions of their land use grant. Which may require permission from the Buildings and Safety Engineering and Environment Department or the Board of Zoning Appeals prior to changing the limits of their property.
