Honorable City Council:

RE: Petition No. x2023-201 – IKE Smart City, request for approval of the twenty-one (21) proposed locations for the installation of digital interactive kiosks to be installed within the City of Detroit public right of way.

Petition No. x2023-201 – IKE Smart City, request for approval of the twenty-one (21) proposed locations for the installation of digital interactive kiosks to be installed within the City of Detroit public right of way.

The petition was referred to the City Engineering Division – DPW for investigation and report. This is our report.

The request is being made as part of a project to install wayfinding kiosks in various parts of the City of Detroit that assist pedestrians in locating community assets and attractions.

All proposed locations are subject to a review by the Department of Public Works: City Engineering Division for permitting and encroachment.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW

Cc: Ron Brundidge, Director, DPW
Mayor's Office – City Council Liaison

PROVIDED, that the Department of Public Works: City Engineering Division reserves the right to modify the precise location of the kiosk installation provided that reasonable justification is provided, and the modified location is within close proximity of the location described in this resolution; and be it further

PROVIDED, that if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

PROVIDED, that access is maintained to all fire department connections, and be it further

PROVIDED, that by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

PROVIDED, that construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

PROVIDED, that if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

PROVIDED, that the petitioner shall hold DWSD harmless for any damages to the encroachment constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

PROVIDED, that the necessary permits shall be obtained from the City Engineering Division – DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

PROVIDED, that all cost for the construction, maintenance, permits and use of the encroachments shall be borne by IKE Smart City or their assigns, and further

PROVIDED, that the IKE Smart City or their assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works – City Engineering Division, and further

PROVIDED, that all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by IKE Smart City or their assigns. Should damages to utilities occur IKE Smart City or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

PROVIDED, that no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall

be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division – DPW; and further

PROVIDED, that IKE Smart City or their assigns shall file with the Department of Public Works – City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of IKE Smart City or their assigns of the terms thereof. Further, IKE Smart City or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

PROVIDED, that filing of said indemnity agreement shall be construed as acceptance of this Resolution by the “permittee”; and further

PROVIDED, that all cost for the construction, maintenance, permits and use of the encroachments shall be borne by IKE Smart City, or their assigns; and further

PROVIDED, that construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

PROVIDED, this resolution or part thereof is revocable at the will, whim or caprice of the City Council, and IKE Smart City acquires no implied or other privileges hereunder not expressly stated herein; and further

PROVIDED, that the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

PROVIDED, that the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.
