Department of Public Works
2 Woodward Avenue
Detroit, MI 48226

To Whom it May Concern,

On behalf of the owner of 12802 Kercheval (also known as 1610 Algonquin St.), Nowak and Fraus Engineers is submitting the enclosed "Letter of Intent" for an encroachment into the public alley.

Said encroachment is requested for 14 lineal feet of 21" storm sewer and a 6-foot diameter manhole. The 21" storm sewer leaves a proposed detention pond and connects to the proposed manhole, which is being built over the existing storm sewer.

The contractor shall follow all DWSD standards for construction.

A maintenance agreement will also be included signed prior to construction.

Sincerely,

Allen Eizember
Civil Engineer
Nowak and Fraus Engineers
