Hello,
We represent the parties (property owner & tenant) noted above for the referenced property.

This communication will act as our cover letter to the application, being submitted on-line, requesting a renewal of the temporary closure of the public alley associated with the referenced property.

Please refer to the attached Site Location Plan that identifies the property, and the location of the current closure. This closure is needed for the safety of the current occupants of the subject property, and all adjacent property owners. It also services to accommodate trash enclosure containers for this property and the nearby church.

Respectfully submitted.
