1117 Griswold St., # 1416

Detroit, MI 48226

(313) 963-6118

We are requesting an extension on Petition x2981. We have maintained this blind alley since the City of Detroit City Council's approval in 2016, as requested, for safety and security purposes and wish to continue to maintain the alley, gates, and encroachments in accordance with the prior issued permit. We will be attaching the original petition that includes a map of the alley. Thank you for your time.
