RE: Petition No. x2024-024 – Innovative Acquisition LLC, request for encroachment within Grand River Avenue and Washington Blvd, lying adjacent to the parcel commonly known as 1249 Washington Blvd, for the purpose of installing an on-site advertising sign.

Petition No. x2024-024 – Innovative Acquisition LLC, request for encroachment within Grand River Avenue, 60 ft. wide, and Washington Blvd, 195 ft. wide, lying adjacent to the parcel commonly known as 1249 Washington Blvd, for the purpose of installing an on-site advertising sign.

The petition was referred to the City Engineering Division – DPW for investigation and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and City Engineering Division – DPW, Traffic Engineering Division

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.
