Petition No. x2024-302 – The Detroit International Bridge Company request for the vacation, with conversion of a utility easement 17th St. 60 ft. wide bounded by Lafayette Blvd. 70 ft. wide, 18th St. 60 ft. wide, and Fort St. 100 ft. wide.

This petition comes as part of a right of the executed Community Agreement between DIBC, HRRRA, and the City of Detroit.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW. Detroit Water and Sewerage Department (DWSD) has no objection provided certain provisions are met. The DWSD provisions are a part of the attached resolution. All other involved City Departments, and privately owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
