Petitioner:
Music Hall LLC
350 Madison St.
Detroit, MI, 48025

On behalf of the above-mentioned petitioner the Department of Public Works: City Engineering Division is submitting a petition request for the action below. The petitioner has received a project consultation from the Department of Public Works: City Engineering Division and has been advised the following:

Type of action recommended:

Petition for the vacation with a reservation of a utility easement of the portion of the public alley, 20 ft. wide bounded by Madison St, Randolph St., and Brush St. The purpose of this request is for the proposed and existing encroachments that are within the north-south public alley, this will require the relocation of some existing utilities and easement agreements with some existing utilities.

RE: Alley Vacation of the existing alley between properties located at 350 Madison (Music Hall) and 300 Madison (parking lot)

To Whom It May Concern:

Music Hall Center for the Performing Arts, the owner for the Music Hall at 350 Madison and the parking lot at 300 Madison is requesting the vacating of the alley between the two properties, approximately 160' of alley length.

The alley vacation is for the following purposes:

1. Installation of new footings along the length of the west side of the alley. The new building is a zero lot line structure and construction foundation work will have to be performed in the existing alley for installation of footings.
2. We are working with the existing utility providers in the alley currently, DTE, DWSD, AT & T and Everstream (formerly Rocket Fiber) on the upgrade and relocation of the utilities for the new building. Some utilities will be temporarily relocated during the construction period. The DTE service will require a major service upgrade with all new electrical underground utilities for both the existing and new building.
3. We will have "bridges" connecting the existing building and new building at the 2nd Floor and the existing rooftop level which will cross the alley overhead.
4. There will be an underground connection between the kitchens of both buildings.
5. After the construction is completed, the alley will be reopened and available for service vehicles to enter the alley to serve all building owners along the length of the alley to the south and the alley will be "activated" for pedestrian public access.
6. All property owners adjacent to the alley, to the south of the Music Hall site, will continue to have access to the alley per the attached Egress Easement. See the attached notification of agreement to the Egress Easement.

Sincerely,

John P. Biggar, PA, AIA, NCARB

Re: Parcel 01003933-4

Dear Mr. Dean:

As a property owner in the Paradise Valley District area, I have no objection regarding vacating the alley between the Music Hall and our parking lot. I am pleased to provide this letter of consent to vacate the alley adjacent to our property 01003933-4. Thank you.

Sincerely,
