Re: FCA US LLC Petition/Letter of Intent to Vacate Public Right of Ways Greeley Street, Riopelle, Meade and related alleys (collectively "Greeley/Riopelle/Meade Right of Ways") in the City of Detroit, subject to **Conversion to Easement**

Dear Clerk Winfrey:

On or about October 14, 2020 FCA US LLC ("Petitioner") originally petitioned the City of Detroit to vacate the Greeley/Riopelle Right of Ways as more specifically described below in this letter.

Following, submission of the Petition, the Petitioner through the undersigned has communicated with both the Department of Public Works ("DPW") and DTE and understand that there is no objection to a vacation subject to a Conversion to Easement.

Accordingly, the Petitioner amends the Petition submitted on October 14, 2020 to vacate the right of ways described below subject to **Conversion to Easement**.

The three right of ways to be vacated by the Detroit City Council subject to **Conversion to Easement** are:

- Greeley Street, Riopelle Street, and the alley which lies adjacent to Lots 179 through 201, both inclusive within Bessenger and Moores Add. To Highland Park, according to the plat thereof recorded in Liber 26 of Plats, page 14 Wayne County Records, which lies Southerly of Dequindre Street and the Walter P. Chrysler Freeway ("Parcel 1"), as generally depicted in **Exhibit 1** to this letter.
- Riopelle Street, and the alley within Crampton's Sub., according to the plat thereof recorded at Liber 31 of Plats, page 57, Wayne County Records, which lies southerly of Dequindre Street and the Walter P. Chrysler Freeway ("Parcel 2"), as generally depicted in **Exhibit 1** to this letter.

Page 2

- All that part of the South  $\frac{1}{2}$  of the  $\frac{1}{4}$  Section 18, Ten Thousand Acre Tract, City of Detroit, Wayne County, Michigan, described as: beginning at the intersection of the Westerly Dequindre Street, 66 feet wide, with the Southerly line of Ostrander's Subdivision (Liber 26, page 72); thence along the South line of said Ostrander's Subdivision, Crampton's Subdivision (Liber 31, page 57), and Besieger and Moore's Add. (Liber 26, page 14) South 64 degrees 04 minutes West 798.00 feet; thence along the extension Southerly of the Westerly line of Greeley Ave., 50 feet wide, South 26 degrees 00 minutes 50 seconds East, 17.76 feet; thence along the North side of an existing fence, North 64 degrees 05 minutes 45 seconds East 798.00 feet; thence along the Westerly line of Dequindre Street, North 26 degrees 00 minutes 50 seconds West 18.20 feet to the point of beginning ("Parcel 3) as generally depicted in **Exhibit 1**.

Petitioner owns all of the land adjacent to Parcels 1, 2 and 3, as confirmed by deeds attached as **Exhibit 2**.

The proposed vacation of Parcels 1, 2 and 3 subject to **Conversion of Easement** will not create a dead-end street or alley. (Petitioner is not seeking to vacate Dequindre Street, which is a Michigan Department of Transportation right of way.)

The vacation of Parcels 1, 2 and 3 subject to **Conversion to Easement**, which have not been in use by the public, are required to enable the Petitioner to expand existing parking and outdoor storage areas which are accessory to and support the adjacent Petitioner's warehouse, as generally depicted in the preliminary site plan ("Project Site Plan") attached as **Exhibit 3**.

Vacation of the right of ways subject to **Conversion to Easement** will relieve the City of Detroit of the burden and cost of maintaining right of ways which are no longer used by or needed by the public.

To the extent utilities including City of Detroit utilities are present in the right of way Parcels 1, 2 & 3 said utilities are not being relocated. Accordingly, simultaneously with the vacation of the right of ways subject to **Conversion to Easement**, Petitioner will execute standard/customary easement agreement the City of Detroit and the other utilities which will be recorded at the Petitioner's expense with the Wayne County Register of Deeds.
