[To Whom It May Concern:

We are writing to petition the City to vacate the alley at Sturtevant and Broadstreet, parallel with Broadstreet, in order to block public access save for utilities. By vacating the alley to homeowners, the City will allow us to continue to enjoy living in Russell Woods but with more security as we will have a more secure backyard for our children, cars, and things. In the past nine years that we have lived in Russell Woods, we have had two cars, a weed whip, a child's bike, and a catalytic converter stolen from in front of our home. We know that parking our cars, storing our things, and allowing our children to play securely in our backyard without concern for public access will make Russell Woods safer and afford us greater peace of mind and enjoyment of the neighborhood. We will not build a garage or permanent structure on the alley, and we will continue to allow access for utilities.

Thank you for your consideration of this matter.

Sincerely,
Kevin and Carmen Dahlberg
