@Darien R Ewell Do you have Raven Wright's information so that I may communicate with her letting her know we are working on getting Ed a quote to relocate the pole.

@Ed Fish @Henry Bright The WO and MOS to relocate the pole is WO #73335349 – hope this is the information the city is looking for.

@Ed Fish Does the city of a name of the person that put the hold on the vacation?

As a reminder – the MOS for the cost of relocating the pole was submitted on 9/26 and can take up to 30 business days for a response. Hope this answers everyone's questions and you have the information to at least move forward with getting your plans approved. Thanks.
