Good Day Staff,

I would like to thank you for taking the time to review our paperwork (myself and my sister Kenya Randall, who owns the property next door). We are asking the city to only legally allow us access to the alley, to maintain the area, preventing any increase in rodents and stray animals in the area, while allowing any city workers access when needed.

If there is any additional information require to complete this application, feel free to contact me at either method listed above.

Sincere Appreciation
