Subject: Urgent Request to Block and Gate the Alley Behind My Home

Dear City Officials,

I am writing to urgently request that the alley behind my house be blocked and gated for the safety and well-being of my family and my neighbors. I have been dealing with constant problems in this alley, including heavy traffic at all hours, people sitting behind the houses using drugs, prostitution, alcohol use, abandoned cars and even boats, and illegal dumping. I often find myself picking up used needles and condoms just to keep the area clean and safe for my small grandchildren. The situation has become unbearable. Most of this activity happens between 7:00 PM and 7:00 AM, but traffic continues throughout the day. We hear constant fighting, loud noises, and even see people taking apart stolen cars behind our homes. No one should have to live like this, especially with children nearby. Our neighborhood has already gathered a petition of support from other residents, all of whom want this alley closed for the same reasons. Part of the alley is already blocked, and we're asking for the remaining section behind our homes to be closed as well, in a way that still allows DTE and emergency vehicles to access it when needed.

As a disabled senior, I simply want to feel safe and have peace in my own home. Please, I am asking again for the City to take action and close this alley permanently to stop the ongoing danger and restore safety to our block. Thank you for your time and consideration. We would truly appreciate your help in getting this done as soon as possible.

Sincerely,

Myrna Moore
