Alley Vacation

To Whom it may concern,

I am requesting to vacate the 9 feet of alley between the properties with the addresses of 4630 Crane and 8831 Yates.

The alley is currently 9 feet wide with an existing easement that is 5 feet from the 4630 Crane building, leaving 4 feet of usable public alley

This cover letter shall serve as a letter of support from all adjacent land owners. The building (4630 Crane/8800 E Forest) and the parking area (8831, 8837, 8843, and 8849 Yates) are currently undergoing an extensive rehabilitation for the purposes of Detroit based businesses to occupy. This vacation will allow uninhibited access between the parking area and the garage doors that face the parking area to the east for means of ingress and egress of personnel and equipment.

.
