RE: Petition No. x2026-026 –Norcross Properties LLC request for a vacation, with reserve of a utility easement 24th St. Lying northerly of Ruskin St. and lying southerly of Toledo Ave.

Petition No. x2026-026 –Norcross Properties LLC request for a vacation, with reserve of a utility easement 24th St., 60 ft, wide. Lying northerly of Ruskin St., 50 ft. wide and lying southerly of Toledo Ave., 66 ft. wide.

This petition comes as part of Norcross Properties LLC to fully fence the perimeter of their consolidated properties through a permit with BSEED. The purpose of the vacation with an easement is for security reasons and the preparation of future development.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW. Detroit Water and Sewerage Department (DWSD) has no objection provided certain provisions are met. The DWSD provisions are a part of the attached resolution. All other involved City Departments, and privately owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
