DTE Electric received a Notice of Proposed Change in Property from the City of Detroit. Please see response information below:

Petition: MAP-25-105

Type of Request (check all that are applicable):

- ☐ Berm Use
- ☐ Conversion to Easement/Vacation to Easement
- ☐ Dedication
- ☒ Encroachment
- ☐ Outright Vacation
- ☐ Temporary Closing

Response:

- ☐ Not Involved; no objection to the property change
- ☒ Involved; but no objections to the property change
- ☐ Involved; objection to the property change

Explanation:

After multiple communications with the petitioner and a review of the submitted documents, Kyle W. Albrecht of Peter Basso Associates, on behalf of the petitioner, confirmed how power will be distributed in the alley. All service will be extended overhead, either building-mounted where buildings are present or through overhead crossings where there are no buildings. He confirmed that no underground facilities will be installed. Based on this confirmation and the updated documents titled "2026-05-20 PVA with Clouds" and "2026-05-20 PVA without Clouds," DTE Electric have no objection to approving the request.
