Letter of Intent

Re: Alley Vacation Request – 11820–11866 Gratiot Ave

To Whom It May Concern,

My name is Martell D. Bivings, and I am submitting this letter on behalf of Bobby Whetstone, the property owner of 11820–11866 Gratiot Avenue, Detroit, Michigan. I am authorized to represent Mr. Whetstone in all matters related to this proposal, and all communication regarding this request should be directed to me.

Email: bivingsm.d@gmail.com

Property Owner:

Bobby Whetstone
Phone: 313-304-1520

Project Summary:

Mr. Whetstone is proposing the development of a quick-service automotive maintenance facility, providing routine services such as oil changes, windshield wiper replacement, and other minor vehicle maintenance.

Mr. Whetstone is an experienced operator who owns and manages multiple quick-service automotive locations throughout the area, and this project represents a continued investment in providing accessible, high-quality services within the community.

As part of this development, we are requesting the vacation (closure) of a portion of the public alley located behind the property. Specifically, this request pertains to a leg of the alley extending from Glenfield Avenue to approximately the midpoint of the block.

The intent of this request is to allow for a well-designed vehicle circulation pattern, including an express service loop that will enable safe and efficient entry and exit for customers. As part of this process, Mr. Whetstone intends to incorporate the vacated alley segment into the property and extend the usable site area, ensuring that vehicle movement

is properly accommodated within the development.

This improvement will enhance traffic flow and on-site circulation, improve customer and pedestrian safety, support efficient operations for a modern quick-service facility, and create a more cohesive and functional site layout aligned with the proposed use.

The requested alley segment is limited in scope, and this adjustment will allow the property to be developed in a manner that is both orderly and beneficial to the surrounding area, while remaining mindful of access considerations for neighboring properties.

Request:

We respectfully request that the City of Detroit approve the vacation of this portion of the alley to support the successful development and operation of this project.

We are committed to working collaboratively with all relevant City departments to ensure compliance with all requirements and to address any considerations related to access, utilities, and adjacent properties.

Sincerely,

Martell D. Bivings
On behalf of Bobby Whetstone
