Petition No. x2026-156 – Farmer Street Development, LLC, request for encroachment within the westerly part of Farmer St., 60 ft. wide, adjacent to the parcel commonly known as 1401 Farmer St. for an outdoor dining area.

The petition was referred to the City Engineering Division – DPW for investigation and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and City Engineering Division – DPW. Traffic Engineering Division

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

I am recommending adoption of the attached resolution.
